WOMEN'S LUNCHEON: GIVING REIMAGINED

The Korean American Community Foundation's inaugural Women's Luncheon will bring together and celebrate **Korean American women** who are shaping the future of social impact through their generosity and innovation.

The gathering will serve as a space where Korean American women can forge meaningful connections, build community, and explore ways to work together to make a greater difference.

ABOUT KACF

The Korean American Community Foundation (KACF) is the first and largest organization in the U.S. dedicated to mobilizing Korean American philanthropy. Since our inception in 2002, we have awarded \$12 million in grants to support programs and initiatives promoting the economic security of low-income Korean and Asian American individuals and families.

Women make up a majority of the people served through the programs and initiatives we fund.

Women lead the charge.
